

Gentlemen:

Please do not overturn New Jersey's "Do Not Call" rules in favor of the less-stringent Federal rules. It is such a relief not to be constantly bothered by telemarketers, especially during those precious few moments of family time during the dinner hour and on weekends.

If companies with which we have done business in the last 18 months want to contact us for additional business, they will already have our mailing address and are welcome to contact us in that manner.

Please leave the sanctity of our telephonic peace intact.

Thank you for your consideration.
